FOR IMMEDIATE RELEASE: MONROE, MICHIGAN USA

FEDCO Ownership Reverts Back to Founder

As of 1st August 2016, Torishima Pump Mfg. Co., Ltd. no longer owns a 50% shareholding in Fluid Equipment Development Company (FEDCO) with ownership reverting back to the founder, Eli Oklejas. FEDCO staff located in the Torishima Service companies in Dubai and Singapore will remain for an agreed period of time to ensure uninterrupted product and service support. Both companies will maintain a close working relationship and cooperate wherever possible for the benefit of both organizations.

About FEDCO

Fluid Equipment Development Company, LLC or FEDCO is the innovative developer and manufacturer of high pressure pumps and energy recovery devices for seawater and brackish water reverse osmosis desalination located in Monroe, Michigan USA. More information is available at www.fedco-usa.com.
